CELL PHONES FOR SOLDIERS 2010 FLORIDA EARTH DAY CHALLENGE THE RESULTS ARE IN!

On April 15th, 2010 the Bergquist family and Cell Phones for Soldiers challenged their supporters in the State of Florida to surpass their highest number of phones ever collected, between Earth Day 2010 (April 22nd) through Memorial Day 2010 (May 31st)

The results are in, and the winners are Esther and Len Wolfer of Boca Raton. Their Supporters of www.MSAWI.org sent in 448 phones and raised 26,880 minutes of talk time for the Troops. For further info. contact esther@msawi.org and/or 561-998-1969

Thank you to all of our supporters who rose to the challenge, collected 2,138 phones, and raised 128,280 minutes of talk time for the troops.

Please continue to collect and send in retired cell phones. There are hundreds of thousands of troops currently deployed to defend our freedom throughout the world. A phone call home is your gift to them, simply by sending in retired cell phones.

Sincerely,
Brittany and Robbie Bergquist

Thank You!
